WINTER 1996 NEWSLETTER Nº 1

WARNER ESTATE RESIDENTS ASSOCIATION

The Association - Update

Since our inaugural meeting in July 1996 the Association has attracted 125 members but we need more! We now have representation on the Alexandra Palace and Park Consultative Committee which meets monthly. The Association's Committee made up of your street representatives have met twice during the intervening period to discuss local issues and decide policy.

Within the next few weeks your street representatives will be calling to invite you to join the Association.

The Association's Aims

To represent the views of the residents in respect of the proposed development plans for the Palace and Park as well as to maintain and improve the general amenities of our neighbourhood.

Alexandra Palace and Park Update

There have been a number of interesting developments:-

- The Palace is now a Grade II Listed Building.
- The Park has been included in English Heritage's Register of Parks and Gardens of Special Historical Interest.
- The Trustees intend to apply for Lottery funds to bring the Park up to standard and a working group has been set up for this purpose.
- The preferred developer's "refined" proposals for the development of the Palace and Park will be presented to various consultative bodies during November.
- MTV (a Worldwide music cable channel) has hired the Palace for its 1996 Awards between 12th and 15th November, during which time there will be restricted access to the Palace and Park via the usual roads (from 10:00 a.m. Wednesday 13th November to 7:00 a.m. Friday 15th November no vehicular access will be available to members of the public).
- The Council Traffic Department will be monitoring the effect this will have on local traffic and roads and please could you record your experiences with a view to the Association writing to the Council in due course with our view.
- The issue of the debt is still unresolved.

Future Plans of the Association

- Please make a note in your diary of a meeting to be held at 8:00 p.m. on Thursday 13th February 1997 at the Moravian Church, when we will report back to you so that the recent developments can be discussed by the Members of the Association; light refreshments will be provided and we will also be discussing setting up Neighbourhood Watches in the roads covered by the Association; Warner Road has already set up a local Watch.

- We will be holding our Annual General Meeting in the summer.
